**For Bella Sorella:**

**Bandon Showcase is extremely gratified that Bella Sorella included our small town venue as one of the duo's appearances during their recent Oregon Coast tour.**

**Bella Sorella's performance was absolutely enchanting. The audience was held spellbound, not only by stage presentation but also their broad repertory. Professionalism such as this is usually experienced only in a large city concert hall. So you can imagine the impact on our attendees.**

**Nova and Susana were very gracious and accommodating during preparations before the performance. As a bonus they even attended a gathering of some audience members after the show with an unscheduled encore.**

**Again the performance was absolutely excellent and Bandon Showcase would welcome a return engagement at Bandon's Sprague Theater again in the future.**

**Sincerely,**

**Karen Sinko
