To whom it may concern,

The Italian American Heritage Foundation has had the pleasure of featuring the dynamic soprano ensemble, Bella Sorella at our 2005, 2006 and 2007 San Jose Italian Family Festa(s) in San Jose, California. Bella Sorella is one of the most beloved and requested acts to perform for our annual fundraising event. Year after year they continue to thrill our audiences with their amazing vocals, engaging stage persona and beautiful presentation of the classics.

In closing, I would highly recommend this act for any event, anywhere, anytime. Bella Sorella will add a touch of class to your special event and will certainly become a “must have” act for your future events as they have for our organization.

Grazie,

Joe Rizzi /Co-Chair 2008 Italian Family Festa
