It was a special treat for the Tehama County Community Concert Association to present Bella Sorella in Red Bluff as part of our 2009-10 artist series. The event was extremely well received by our local audience with standing ovations and positive written comments on the post-concert evaluations which we customarily collect. Our audience responded with appreciation to the diversity of the musical selections performed from a range of classical, Broadway and popular music. There was exceptional rapport between the audience and the singers as well as their accompanists. In short, this group was a winner in every way with our multi-generational audience. Truly this is an exceptionally fine group that virtually filled the house; we would certainly welcome them another time.
